

**8.500 Scope of subpart.**

This subpart implements the requirements of the Helium Act (50 U.S.C. 167a, *et seq.*) concerning the acquisition of liquid or gaseous helium by Federal agencies or by Government contractors or subcontractors for use in the performance of a Government contract (also see 30 CFR Parts 601 and 602).

**8.501 Definitions.**

*Bureau helium distributor* means a private helium distributor which has established and maintains eligibility to distribute helium purchased from the Bureau of Land Management, as specified in 30 CFR part 602.

*Bureau of Land Management*, as used in this subpart, means the Department of the Interior, Bureau of Land Management, Helium Field Operations, located at 801 South Fillmore Street, Amarillo, TX 79101-3545.

*Helium requirement forecast* means an estimate by the contractor or subcontractor of the amount of helium required for performance of the contract or subcontract.

*Major helium requirement* means a helium requirement during a calendar month of 5,000 or more standard cubic feet (measured at 14.7 pounds per square inch absolute pressure and 70 degrees Fahrenheit temperature), including liquid helium gaseous equivalent. In any month in which the major requirement threshold is met, all helium purchased during that month is considered part of the major helium requirement.

[59 FR 67030, Dec. 28, 1994, as amended at 62 FR 40236, July 25, 1997]

**8.502 Policy.**

To the extent that supplies are readily available, all major helium requirements purchased by a Government agency or used in the performance of a Government contract shall be purchased from the Bureau of Mines. This requirement may be satisfied as follows:

(a) By ordering against a GSA Federal Supply Schedule contract (for contractor use and authorization procedures, see subpart 51.1).

(b)(1) For requirements not covered by a Federal Supply Schedule contract, by purchasing from—

(i) The Bureau of Land Management;

or

(ii) A Bureau helium distributor.

(2) A copy of the "List by Shipping Points of Private Distributors Eligible to Sell Helium to Federal Agencies" may be obtained from the Bureau of Land Management.

[59 FR 67030, Dec. 28, 1994, as amended at 62 FR 40236, July 25, 1997]

**8.503 Exception.**

The requirements of this subpart do not apply to contracts or subcontracts in which the helium was acquired by the contractor prior to award of the contract or subcontract.

**8.504 Procedures.**

(a) Upon receipt of the helium requirement forecast, point of contact, and telephone number from the contractor, the contracting officer shall forward this information, along with a copy of the contract, to the Bureau of Land Management.

(b) Upon notification by the Bureau of Land Management of an apparent discrepancy between helium sales data and the contractor's helium requirement forecast, the contracting officer shall determine appropriate action and inform the Bureau of Land Management.

[59 FR 67030, Dec. 28, 1994, as amended at 62 FR 40236, July 25, 1997]

**8.505 Contract clause.**

The contracting officer shall insert the clause at 52.208-8, Helium Requirement Forecast and Required Sources for Helium, in solicitations and contracts if it is anticipated that performance of the contract involves a major helium requirement.

### Subpart 8.6—Acquisition From Federal Prison Industries, Inc.

**8.601 General.**

(a) Federal Prison Industries, Inc. (FPI), also referred to as UNICOR, is a self-supporting, wholly owned Government corporation of the District of Columbia.

## Federal Acquisition Regulation

8.605

(b) FPI provides training and employment for prisoners confined in Federal penal and correctional institutions through the sale of its supplies and services to Government agencies (18 U.S.C. 4121-4128).

(c) FPI diversifies its supplies and services to prevent private industry from experiencing unfair competition from prison workshops or activities.

[48 FR 42129, Sept. 19, 1983, as amended at 56 FR 15148, Apr. 15, 1991]

### 8.602 Policy.

(a) Agencies shall purchase required supplies of the classes listed in the Schedule of Products made in Federal Penal and Correctional Institutions (referred to in this subpart as *the Schedule*) at prices not to exceed current market prices, using the procedures in this subpart.

(b) Subject to the priorities in 8.001 and 8.603, agencies are encouraged to use the facilities of FPI to the maximum extent practicable in purchasing (1) supplies that are not listed in the Schedule, but that are of a type manufactured in Federal penal and correctional institutions, and (2) services that are listed in the Schedule.

(c) If a supply not listed in the Schedule is of a type normally produced by Federal penal and correctional institutions, agencies are encouraged to suggest that FPI consider the feasibility of adding the item to its Schedule.

[48 FR 42129, Sept. 19, 1983, as amended at 56 FR 15148, Apr. 15, 1991]

### 8.603 Purchase priorities.

(a) FPI and nonprofit agencies participating in the Javits-Wagner-O'Day (JWOD) Program (see subpart 8.7) may produce identical supplies or services. When this occurs, ordering offices shall purchase supplies and services in the following priorities:

(1) Supplies:

(i) Federal Prison Industries, Inc. (41 U.S.C. 48).

(ii) JWOD participating nonprofit agencies.

(iii) Commercial sources.

(2) Services:

(i) JWOD participating nonprofit agencies.

(ii) Federal Prison Industries, Inc., or commercial sources.

(b) Supplies and services manufactured or performed by FPI are in strict conformity with Federal Specifications. These supplies and services are listed in the Schedule. Copies of the Schedule are available from Federal Prison Industries, Inc., Department of Justice, Washington, DC 20534.

[48 FR 42129, Sept. 19, 1983, as amended at 56 FR 15149, Apr. 15, 1991; 59 FR 67027, Dec. 28, 1994]

### 8.604 Ordering procedures.

(a) Contracting officers shall order (1) less-than-carload lots of common-use items (Schedule A of the Schedule) from the regional warehouses of GSA, unless it is more practical and economical to purchase directly from FPI, and (2) carload lots of common-use items, and other items listed in the Schedule, from FPI.

(b) Contracting officers shall prepare orders to FPI using the procedures in the Schedule.

(c) When the contracting officer believes that the FPI price exceeds the market price, the matter may be referred to the cognizant product division identified in the Schedule or to the FPI Washington office for resolution.

### 8.605 Clearances.

(a) Clearance is required from FPI before supplies on the Schedule are acquired from other sources, except when the conditions in 8.606 apply. FPI clearances ordinarily are of the following types:

(1) General or blanket clearances issued when classes of articles or services are not available from FPI.

(2) Formal clearances issued in response to requests from offices desiring to acquire, from other sources, supplies listed in the Schedule and not covered by a general clearance. Requests should be addressed to Federal Prison Industries, Inc., Department of Justice, Washington, DC 20534.

(b) Purchases from other sources because of a lower price are not normally authorized, and clearances will not be issued on this basis except as a result of action taken to resolve questions of price under 8.604(c).
